DESCRIPTION

There is understated luxury in abundance from this stunning new villa, which has all of the hallmarks of the unmistakable Blakstad stable.

The villa has been built to the very exacting standards of its British owners, following Blakstad design and using Blakstad's team of highly skilled and well regarded contractors.

The villa has a large central living area with a well defined kitchen, lounging, dining and study areas, flanked by the four guest bedroom suites to either side. The large master bedroom suite sits above it all on the first floor with a dressing room, bathroom and large balcony terrace.

The landscaped grounds incorporate multiple terraces and well stocked plant beds linked by pathways and patios. The pool is a stunning feature symmetrically positioned to be most attractive from the house.

This villa is located in the heart of the island between San Rafael and Santa Gertrudis in the countryside not far from the Ibiza hotspots.
